Career Objective

Motivated and passionate Front-End Web Developer with strong skills in HTML, CSS, JavaScript, React.js, Tailwind CSS, and Bootstrap. Seeking an opportunity to contribute to a dynamic team, apply my technical skills to real-world projects, and continuously learn and grow as a professional developer.

Projects

Evenza – Event Management Website

Technologies: React.js, JavaScript (ES6+), Tailwind CSS, React Router, React Icons

- Developed a fully responsive event management website using React.js and Tailwind CSS.
- Implemented React Router for seamless client-side navigation across multiple pages.
- Built reusable React components including responsive navigation, countdown timer, FAQ section, tabs, and video section.
